PETITION UNDER 37 CFR 1.84(2)

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This paper is submitted in partial response to the Office Action of May 3, 2005, and is being filed concurrently with an Amendment and Request for Extension of Time in response to the Office Action of May 3, 2005. The Examiner objected to the color drawings filed with this application because no petition for acceptance of these drawings was filed with the application. Pursuant to the requirements of 37 CFR 1.84(2), Applicants hereby petition for acceptance of the color drawings previously filed with this application. Accompanying this Petition is the required

fee of \$130 fee as set forth in 37 CFR 1.17(h). The Commissioner is hereby authorized to charge any additionally required fee, or credit any overpayment in fees, to Deposit Account No. 50-0320.

It is respectfully submitted that these color drawings are needed to properly show, in correct detail, the fluorescence microscopy images included in the drawings. It is for this reason is that Applicants petition for the acceptance of the color drawings that were originally submitted with the application. By the amendment filed concurrently herewith, Applicants have amended the specification to include the required statement regarding the inclusion of color drawings.

Respectfully submitted,

FROMMER LAWRENCE & HAUG LLP
